Serviced Offices – Convenient & Flexible

Ideal for start-ups and growing businesses, our serviced offices and range of virtual office support are offered on flexible and inclusive rates. On site managed with a fully staffed reception team there is always someone here to welcome you and your visitors, answer your calls, handle your mail, organize meeting rooms and even make you a coffee.

Established almost 40 years Harrogate Business Centre has evolved over the years to tailor the service to make life as easy as possible for you. No set up fees, 24/7 access, inclusive rates and no hidden costs help you budget. All our offices are fully furnished with contemporary desks and chairs and include 15Mb of dedicated bandwidth delivered via secure static Wi-Fi from our 1G/b circuit. If you prefer a cable connection or need more bandwidth that can be provided, just let us know.

The Centre is minutes' walk from road and rail links, restaurants, gym and shops with free, secure onsite parking.
